PROFESSIONAL SUMMARY

Technically minded Customer Support Specialist with 5+ years of experience in **technical support** and **customer experience (CX)** for SaaS, e-commerce and payments. I resolve Tier 1 and Tier 2 cases: **investigating payment errors**, **API troubleshooting** and payment gateway integration issues, plus bug escalation and follow-up with Engineering on GitHub. Backend experience building **my own applications** (Cloudflare Workers, Firebase). At Tiendanube I handled ~60 daily Zendesk tickets with a 2-minute first response time, 100% SLA compliance and 96% CSAT.

TECHNICAL SKILLS

- **Technical Support & CX:** Customer Support, Customer Experience (CX), Technical Support, Troubleshooting, Tier 1 & Tier 2 Support, Zendesk, SaaS, Ticket & Incident Management, Customer Success, SLA, CSAT, FCR, FRT (< 2 min), Quality Audits
- **Fintech & Payments:** Payment Gateways, Payment Error Investigation, Chargebacks, Payment Reconciliation, KYC, Onboarding, Customer Retention, APIs, REST APIs, JSON, Bug Tracking
- **Tools:** Insomnia, Git & GitHub (Issues/Projects), Salesforce, CRM, Tableau, Loom, Advanced Excel, Text Blaze

WORK EXPERIENCE

Training & Personal Projects — Dec 2025 – Present
- Built free tools for the job-seeking community, such as Neko Jobs, a job-alert bot used by other people. Completed Front-End Web Development, Applied AI and AI Essentials.

Customer Support Specialist (Support Guru) | Tiendanube | SaaS / E-commerce | Remote — May 2025 – Nov 2025
- **Volume & metrics:** ~60 daily multichannel Zendesk tickets with a 2-min first response time, 100% SLA compliance and 96% CSAT on Tier 1 and Tier 2 technical cases; Customer Success support (3-min tickets). Evidence: florbagnis.github.io/Portfolio-FlorBagnis/Dossier-en.pdf
- **Payments & APIs:** Investigated payment errors and troubleshot APIs with Insomnia across gateways (Pago Nube, Mercado Pago, MODO, Ualá Bis).
- **Chargebacks:** Verified resolution in dLocal; built Excel sheets from the data provided to explain the process to merchants; reports.
- **Bug escalation:** Escalated and tracked bugs with Engineering on GitHub, with workarounds; received recognition.
- **Cuota Nube:** Fee and installment calculator (see Projects) that cut cost-related inquiries by over 25% and became the basis for the official calculator, recognized by Product.
- **Tools & reporting:** Zendesk macros for the Pago Nube team (50+ people); Tableau; Excel tool for target CSAT; HTML/CSS templates without relying on Engineering; payment reconciliation with Finance.
- **Retention & onboarding:** Retained 150+ stores per month at risk of churn due to KYC issues using self-built tools (Cuota Nube, Text Blaze) and turned negative tickets into positive ones; onboarded 80+ entrepreneurs per month with Loom and follow-up.

Customer Support & Operations Assistant | Europ Assistance | Insurance | Hybrid — Sep 2023 – Dec 2024
- Handled claims and inquiries for La Caja Seguros (80%+ of metrics and SLAs met under daily quality audits); coordinated tow trucks, glass and dent repair with vendors. Incidents in Salesforce and Neotel; reports and automations in Excel.

Chat Support & Design (Freelance, weekends) | La Nona | E-commerce | Remote — Aug 2022 – Mar 2025
- Handled customer service and 30+ orders per night via WhatsApp, Instagram and Facebook; designed promo flyers and menus.
